No. C.O.V./25/1942.

Office of the Civil Recruiting Officer, Poona.

From

W.G. Hullah, Esquire, I.C.S.,

Civil Recruiting Officer, Poona.

To

The Secretary to Government,

Home Department, Bombay.

Sir,

I have the honour to state that some private employers of labour e.g. the Maharashtra Sugar Mills at Kolapur and the New Pratap Mills of Dhulia, have offered preferential treatment in the matter of employment to brothers and fathers of serving men. In my opinion, something on the same lines could be done by the Public Works Department Officers in consultation with Contractors working for them possibly this might be a way to encourage Contractors and Public Works Department Subordinates to take a more active part than has been possible hitherto.

2. I suggest that the Director of Public Instruction might also be consulted as to whether it would be possible in any way to encourage school teachers to take a more active part in recruiting generally. In bigger schools the Head Master's influence on young men who have passed the 7th Standard during the previous few years should be considerable. In any case they should be helpful for propaganda purposes. Some are keen and active, but this is by no means general.

Your most obedient servant,

W.G. Hullah

2. All the officers with the exception of the Electrical Engineer to Govt. are in favour of the proposal to give preferential treatment in the matter of employment of brothers and fathers of serving men. Presumably by 'serving men' the Civil Recruiting Officer means those serving in the various branches of the Fighting Services viz. the Army Navy and Air Force. The H. Engr. to Govt. states that owing to the special nature of the works required to be carried out in the Electrical Division, it will not be possible to give effect to the proposal.

Mr. J. W. have suggested that so far as employment in departmental works is concerned the relatives of the service men should be given preference provided -

(i) They (the brothers and fathers) are found suitable for the jobs that may be offered to them and possess the requisite qualifications,

and

(ii) they produce the necessary testimony showing their relationship with the service men.

With the above provisos, the case of the Electrical Division will be covered. It is for orders whether the proposal with the above provisos may be accepted.

3. As regards employment under contractors, all that can be done is to persuade them to employ as many such men as possible as such employment cannot be enforced on contractors unless a specific condition is laid down in the contract agreement forms.

4. The draft Circular put up may, if approved, issue after M.O.R. to the P.A.S.D.

GOVERNMENT CIRCULAR MEMORANDUM.

It has been suggested to Government that preferential treatment should be given in the matter of employment on works in the Public Works Department to brothers and fathers of men serving in the various branches of the Fighting Services viz. the Army, the <sup>the</sup> Air Force and Navy. Government is pleased to accept the suggestion and to direct that such preferential treatment should be given provided that (a) the persons concerned are found suitable for the jobs that may be offered to them and possess the requisite qualifications and (b) they produce the necessary testimony showing their relationship with the service men. The local officers are also requested to persuade Public Works Department contractors to employ as many of such men as possible.

GOVERNMENT OF BOMBAY.

POLITICAL AND SERVICES DEPARTMENT.

Resolution No. 4083/34-IV.

Bombay Castle, 25th August 1943.

Read Government Resolutions, Political and Services Department, Nos. 4083/34-I, and 4083/34-II, dated the 10th November 1941.

Government Resolutions Political and Services Department, No. 4083/34-III, dated the 16th January 1942.

Government Resolution, Political and Services Department, No. 4083/34, dated the 1st March 1943.

The Bombay Civil Services (War Service Personnel) Recruitment Rules, 1942, published in Government Notification, Political and Services Department, No. 4083/34, dated the 15th May 1942.

Express letter from the Government of India, Home Department, No. 70/12/42-Ests., dated the 6th July 1942.

RESOLUTION.—It has been represented that candidates who offer themselves for the Defence Services labour under a disadvantage in that, while those services afford them temporary employment during the war only, the Civil Departments have up to now been in a position to offer a permanent career. The Government of Bombay has reviewed the whole question of policy involved and is pleased to issue the following orders with a view to removing, as far as possible, unfair competition and also to protecting the interests of those who join the Defence Services L-

(1) In accordance with the orders contained in subparagraphs (1), (5), (6) and (7) of paragraph 1 of Government Resolution, Political and Services Department, No. 4083/34-I, dated the 10th November 1941, 50 per cent. of permanent vacancies in the Provincial Services normally open to public competition (except in the Provincial Medical, Public Health and Judicial Departments) occurring on and

after the 10th November 1941, were to be kept substantively unfilled with <sup>an</sup> unfilled with a view to their being made available after the war to candidates with "approved war service". This number of reserved vacancies was to be filled on a temporary basis until suitable candidates with "approved war service" become available. The remaining 50 per cent. or unreserved vacancies, could be filled permanently but candidates, if any, with "approved war service" were to receive preference.

Again in accordance with the orders contained in clauses (a), (c), (g) and (i) of Part I of Government Resolution Political and Services Department, No. 4053/34-III, dated the 16th January 1942, no general preference was to be accorded with effect from the 16th January 1942, to candidates with "approved war service" when making appointments to Superior (Provincial) posts in the Judicial Department other than posts of Sub-Judges in the Bombay Subordinate Civil Judicial Service. These Superior posts were not reserved for candidates with "approved war service" and could, therefore, be filled permanently. 25 per cent. of permanent vacancies in the posts of Subordinate Judges in the Bombay Subordinate Civil Judicial Service occurring on and after the 16th January 1942 were to be kept substantively unfilled with a view to their being made available after the war to candidates with "approved war service" and were to be filled on a temporary basis in the meanwhile until such candidates become available. The remaining 75 per cent. of unreserved posts could be filled permanently but candidates with "approved war service" were to receive preference.

As a partial modification of the above orders, it has now been decided that on and after the 1st September 1943, the 50 per cent. unreserved vacancies in the Provincial Services other than Services and Posts in the Provincial Judicial Department should, subject to the orders in sub-paragraphs (3), (4) and (5) below, also be kept substantively unfilled for the duration of the war. These substantively unfilled vacancies, which will be filled on a temporary basis for the

period of the war, should be filled permanently after the war by selection from among persons who have been holding them on a temporary basis as well as from among candidates with "approved war service". The position should be clearly explained to the candidates appointed to these unreserved vacancies during the war.

(2) In accordance with the orders contained in sub-paragraph (1) of paragraph 1. of Government Resolution, Political and Services Department, No. 4083/34-II, dated the 10th November 1941 and clause (a) of Part II of Government Resolution, Political and Services Department, No. 4083/34-III, dated the 16th January 1942, a general preference only in respect of admission to the Subordinate and Inferior Services, including the Subordinate and Inferior posts in the Judicial Department, was to be accorded to candidates with "approved war service". There was no absolute reservation of vacancies in these services.

In modification of the above orders, it has now been decided that with effect from the 1st September 1943, 50 per cent of permanent vacancies in the Subordinate and Inferior Services including such services in the Judicial Department normally open to public competition should be kept substantively unfilled with a view to their being made available after the war to candidates with "approved war service". They should be filled on a temporary basis for the duration of the war. The remaining 50 per cent, of unreserved vacancies, except in the Judicial Department, should also be filled on a temporary basis for the duration of the war, but should be filled permanently after the war by selection from among persons who have been holding them on a temporary basis as well as from among candidates with "approved war service". In this case too, the position should be clearly explained to the candidates appointed to the 50 per cent. unreserved vacancies. In the Subordinate and Inferior Services of the Judicial Department, the remaining 50 per cent. unreserved vacancies should be filled permanently as they occur.

(3) The orders in sub-paragraphs (1) and (2) above are subject to a discretion in the appointing authorities after consultation with Government to make, when necessary, permanent vacancies to be

appointment during the war to the unreserved vacancies even from among candidates who may not have "approved war service" to their credit if the interests of the administration require it.

(4) The orders in sub-paragraphs (1) and (2) above do not apply to permanent vacancies to be filled by direct recruitment in the Provincial, Subordinate or Inferior Services, applications for which may have already been invited before the 1st September 1943. In the case of all advertisements to be issued after that date, appointing authorities should clearly state the position in regard to the vacancies advertised.

(5) The orders in sub-paragraphs (1) and (2) above also do not apply to services and posts (whether Provincial, Subordinate or Inferior) in the Medical and Public Health Departments of this Government, in respect of which separate orders have already been issued.

2. The necessary amendments to the Bombay Civil Services (War Service Personnel) Recruitment Rules, 1942, should be issued in due time.

3. The Director of Information should be requested to give wide publicity to these orders by issuing a Press Note on the subject in the local News-papers

THE GOVERNMENT OF INDIA ACT, 1935.

No. 4093/34.---In exercise of the powers conferred by clause (b) of Sub-section (1) of section 241 and sections 254 and 255 of the Government of India Act, 1935, the Government of Bombay is pleased to amend the Bombay Civil Services (War Service Personnel) Recruitment Rules, 1942, as follows, namely:-

1. For rule 4 of the said rules, the following shall be substituted, namely :-

"4. (1) In filling vacancies other than those reserved under rule 3, (hereinafter in this rule referred to as the unreserved vacancies) a general preference shall be given to candidates with approved war service.

(2) The unreserved vacancies shall, with effect from the 1st day of September 1943, be filled on a temporary basis only for the duration of the war and shall be filled permanently after the war by selection from among persons who have been holding them on a temporary basis as well as from among candidates with approved war service :

Provided that the provisions of this sub-rule shall not apply to --

(i) unreserved vacancies in the posts specified in the proviso to clause (a) of rule 3 which shall be filled permanently as they occur,

(ii) unreserved vacancies in any Provincial Services when the appointing authority, after consultation with the Provincial Government, is satisfied that it is not in the interests of the administration to fill it on a temporary basis for the duration of the war,

(iii) permanent unreserved vacancies to be filled by direct recruitment, applications for which have been invited before the 1st day of September 1943."

2. For rule 5 of the said rules, the following shall be substituted, namely :-

"5. (1) Notwithstanding anything contained in any rules made or deemed to have been made in exercise of the powers conferred by clause (b) of sub-section (1) of section <sup>241</sup> ~~244~~ of the Government of India Act, 1935 —

(a) fifty per cent. of all substantive vacancies in the Subordinate Services occurring on or after the 1st day of September, 1943, which are required under the rules for the services to be filled by direct recruitment shall be reserved and filled substantively after the end of the present war by the appointment of persons who have rendered approved war service ;

(b) such persons shall be entitled to the concession regarding age as provided in rule 5;

(c) any rules or orders which require a person to pass a medical test of physical fitness in connection with the admission to service shall be relaxed in the case of such persons suffering from any physical defects arising out of war service but which do not render them unfit for the type of employment involved ;

Provided that the provisions of this rule shall not apply to permanent vacancies to be filled by direct recruitment applications for which have been invited before the 1st day of September 1943.

(1) In filling vacancies other than those reserved under clause (a) of sub-rule (1) of rule 5 (hereinafter in this rule referred to as 'the unreserved vacancies') a preference shall be given to candidates with approved service.

Mily.....

Mily. Authorities concerned, to deduct from their age for the purpose of the age limit prescribed for admission to the College, the period spent by them in war service. The candidates for appt. under the guarantee to the B.S.E. Class I and II must be above 21 and below 24 years of age as of the 1st date of August immediately preceding the date of appt., provided that in the case of Muslim Candidates and candidates belonging to the Intermediate and Backward Classes the maximum age limit shall be <sup>lie</sup> 27 years. In the case of guaranteed appts. to the S.S.E., the candidate is required to be below 24 years of age except in the case of members of Backward and Intermediate classes (including Muslims) who are to be below 27 years of age. If the age limit is relaxed in the case of candidates with approved war service for admission to the College, a similar relaxation in age limit will have to be made so that they may be eligible for guaranteed appts. to the S.S.E., B.S.E., Class I and II. P. W. Department.

N. D.

In G.R., N.D. No. 20, dated 15th Oct. 1925, Govt. directed that the age limit for the students entering the College of Engineering, Poona, should be fixed at not more than 22 years at the date of admission. This age limit is, however, not applicable in the case of Intermediate and Backward classes. It is proposed that the above age limit should be relaxed on the recommendation of the Military authorities, in the case of students who are engaged in war work at present.

2. The relaxation on of the age limit, if sanctioned by Govt. may in turn involve the question of the relaxation of the age limit for entry into Govt. service, if such students subsequently desire to enter Govt. service. In P. & S.D., G.R. No. 4063/34-II, dated the 10th Novr. 1941, orders were issued, inter alia, that candidates who were engaged on War Work and who have to their credit approved War Service should be permitted to deduct from their age, for purposes of any rule laying down limits for admission to Govt. service, the period spent on war service. The definition of 'approved war service' is given in P. & S.D. Resolution No. 4063/34, dated the 1st March 1943. It includes, inter alia, service in India under munitions or stores authorities with a liability to serve overseas, when required. (Thus in the case of Mr. V.V. Dani, a chemical Assistant under Chief Inspector of Explosives for whom this reference has been made, in particular, the conditions are fulfilled).

3. The question raised in para. 2 above, may be considered later if need be. In the meantime this Deptt. may if approved, accept the recommendation made by the N.D. in its note, dated the 26-7-44. If this is approved, the papers will be passed on to the P. & S.D.

P. & S.D. may also accept the recommendation made by the E.D. in its note dated the 28-7-44, subject to the condition that the precise extent to which the age limit may be relaxed by the Principal of the Engg. College, may be specified in the orders. It is suggested that just as in the case of admission to Govt. service of those rendering approved war service, the Principal should be authorised to permit such candidates to deduct from their age for the purpose of the age limit prescribed for admission to the Engg. College, the period spent in war work (only recommended and certified by the Milly. Authorities concerned). Unless this is specified, it would be difficult for the Principal to know where to draw the line in the matter of age relaxation of such candidates. Clearly candidates who started war work after the age of 22 (the age limit prescribed for admission to the Engg. College) would not benefit under this concession because they were eligible to join the College while still within the age limit of 22 when they were not engaged in any kind of war work.

2. The F. & S.D. agrees to the proposal to authorize the Principal Nagrg. College, Poona to relax the age limit in case of candidates engaged in war work subject to the condition that the precise extent to which the age limit may be relaxed by the Principal may be specified in the orders. That Deptt. has therefore suggested that just as in the case of admission to Govt. service of those rendering approved war service, the Principal should be authorized to permit such candidates to deduct from their age for the purpose of the age limit prescribed for the admission to the Nagrg. College, the period spent in war work (daily recommended and certified by the Milly. Authorities concerned.) This may be agreed to & draft G.O. is put up for approval.

2. The Principal, College of Engrg., Poona, is authorized to deduct from the age of the candidates with approved war service for admission to the College, the period spent by them in war service - vide G.R. Edg. Deptt, No. 1394, dated the 16-9-44. The question under consideration is the proposal to grant similar relaxation in age limit so that the candidates in question may be eligible for guaranteed appts. to the B.S.E., B.S.E., Class I and II. As the Principal has been authorized to relax the age limit in 1944, he will admit the candidates with approved war service from 1945 onwards. The candidates will, therefore, be eligible for guaranteed appts. in 1948. The question of relaxing the age limit for purposes of guaranteed appointments may, if approved, be taken up now even though the question will actually arise in 1948.

3. Rules 53(5) and 53(12) in Appendix C to the B.C.S. Classification and Recruitment rules regarding the guaranteed appts. to the B.S.E. Class I and II will have to be amended. The approval of the P.S.C. will be necessary for amending the above rules. The draft put up may, therefore, issue after u.o.r.s. to the P. & S.D. and the B.D.

4. As regards the G.S.E., the approval of the P.S.C. will not be necessary as the appointments of overscots are outside the purview of the commission. The necessary orders will, therefore, be put up on receipt of the approval of the P.S.C. to the amendment of the rule the guaranteed appts. to the B.S.E. Class I and II

Subject:- Relaxation of the age limit

in cases of candidates with approved  
war service for guaranteed appts. to  
the B.S.R. Class I and II.

Sir,

I am directed to state that when candidates with approved  
war service seek admission to the College of Engrg., Poona, the  
Principal of the College is authorized to permit them on the  
recommendation of the Military Authorities concerned, to deduct  
from their age for the purpose of the age-limit prescribed  
for admission to the College, the period spent by them in war  
service - vide G.O. (Edl. Deptt.) No. 1394, dated the 16-9-44.

attached) The candidates whose age limit is relaxed will  
not be eligible for guaranteed appts. to the B.S.R. Class I  
and II unless a similar relaxation is made for purpose of appts.  
to the two services mentioned above. It is, therefore, proposed  
to insert the accompanying rule 53(5) A and 53(12) A after rules  
53(5) and 53(12) respectively in the Appendix 'C' to the B.C.S.  
Classification and Recruitment Rules Manual for the guaranteed  
appts. to the B.S.R., Class I and II.

2. I am to request that this letter may be placed before the  
Commission and their views in the matter may be communicated to  
Govt. as early as possible.

Resolution No. 4906/35.

Bombay Castle, 26th May 1945.

Read Government Resolution (Educational Department, No. 1394), dated the 16th September 1944.

Letter to the Secretary, Bombay-Sind Public Service Commission, No. 4906/35-N(I), dated the 22nd March 1945, as under :-

"I am directed to state that when candidates with approved war service seek admission to the College of Engineering, Poona, the Principal of the College is authorised to permit them on the recommendation of the Military Authorities concerned, to deduct from their age for the purpose of the age limit prescribed for admission to the College, the period spent by them in war service - vide Government Resolution (Educational Department) No. 1394, dated the 16th September 1944 (copy attached). The candidates whose age limit is relaxed will not be eligible for guaranteed appointments to the Bombay Service of Engineers Class I and II unless a similar relaxation is made for purposes of appointments to the two services mentioned above. It is, therefore, proposed to insert the accompanying rules 53(5)A and 53(12)A after rules 53(5) and 53(12) respectively in the Appendix 'G' to the Bombay Civil Services Classification and Recruitment Rules Manual regarding the guaranteed appointments to the Bombay Service of Engineers Class I and II.

Replies to the three points raised by you are as follows:-

Point (1) - No.

Point (2) - The period of training as 'civil trainee' should be treated as leave including leave without pay.

Point (3) - The leave and pension contribution in respect of Government servants after the completion of their training and their enrolment in the Army should be regulated in accordance G.13(a), dated the 11th June 1944.

**Subject :- Incidence of leave and pensionary charges in the  
case of inferior servants selected as "Civil  
trainees" for the Technical Training Scheme.**

I have the honour to invite a reference to Government, Public  
and Services Department letter No. 3922/34-D, dated 16-11-43, in  
which Government has issued orders as to how the period during  
which the person Mahadeo Khosla, was a "Civil Trainee" in the  
Technical Training Scheme, should be treated for the purpose  
of service under the Government of Bombay. Recently, the  
Director of Industries, Bombay, has referred a similar case to  
this office for advice. As there appear to be no general orders  
of Government on the subject, this office was unable to comply with  
his request. It is, therefore, requested that for the guidance  
of all departments under the Government of Bombay, general orders  
may please be issued on the following points :-

(1) Whether leave and pension contribution is recoverable  
from the Government of India for the period during which a  
Bombay Government servant works as a "Civil Trainee" under the  
Technical Training Scheme.

(2) How the period of training should be treated for the  
purpose of service under the Bombay Government. In this  
connection, the fact that the trainees receive some stipend  
from the training centre during the period of training may  
please be taken into consideration, before arriving at a  
decision in the matter.

(3) Whether leave and pension contribution should be recovered  
from the Government of India after the completion of training and  
enrolment in the Military Department. Attention is, in this  
connection, invited to the Government of India, War Department

letter No. 11008/A.O.13(a) dated 11-6-44 in which it has been decided that no leave contribution is to be recovered in the case of Civil inferior Government servants called to Military duty and that the charge on account of leave salary will be borne by the The Defense Services Estimates.

Early orders of Government in the matter are requested.
